NORDSTRIKK

*- Traditional Norwegian
Knitwear since 1963*

*The history of Nordstrikk dates back to 1963.
Located in Norway's most famous and dramatic
fjord and mountain landscape this small family
owned company has developed and produces
traditional knitwear of the highest quality.
The company is continuing a very old tradition
reaching back through the centuries. A distinguished
lifestyle has evolved from this history and can be
found today in many countries, as elegant and casual
on the North Cape as it is in Stockholm and Tokyo.*

*Within the collection there are different lines - you
will be sure to find a garment for every occasion.*
